July 13th, 2020

To all our Auto Fest Friends:

Well, the time has come to unfortunately make the tough decision to cancel our show. We've had high hopes these last few months that the restrictions would lift, and we would be able to celebrate the end of summer with our 37th Annual Frankenmuth Auto Fest. However, as we get closer to the show, we do not see that we will be able to continue with planning with the Executive Orders currently in place.

We appreciate all of our great sponsors, dedicated volunteers, and loyal car owners for sticking with us up until now. We realize that this show is the biggest fundraiser for so many organizations; however, what is most important to us is to keep our 542 volunteers, the community of Frankenmuth, and our guests healthy and safe.

Many of us have different opinions on this matter, but we all can agree with is that we are highly disappointed in cancelling another car show and event in Frankenmuth, and we will have to have twice the fun in 2021. Please be kind with one another as we each deal with this pandemic for the first time together.

We will be communicating with all of those who have already preregistered very shortly and hope to see you September 10, 11, 12, 2021.

Tony D'Anna, John Compton, Tim Gilmour and the entire Auto Fest Committee
